

Instructions for Camera-Ready Manuscript

For the camera-ready manuscript, please read carefully the following instructions:

1. For your camera-ready manuscript, use the standard LNCS templates available at <http://www.springer.com/computer/lncs?SGWID=0-164-7-72376-0>.

Note that a manuscript that uses an inappropriate template (including a modified one) may be excluded from the proceedings.

2. To include your manuscript in the proceedings, all four items below must arrive at email address pairing2010-paper@m.aist.go.jp by 23:59 on September 13, 2010 JST (GMT+9hrs).

- source file(s) (LaTeX or WORD) of your manuscript
- a PDF file of your manuscript
- a PDF file of signed copyright form
- name and email address of the contact author

If student author (*) is included in the authors of your manuscript, please attach name and email address of the student author.

(*) Student authors are eligible if:

- they are full-time students at the time of submission and presentation, and
- they should give an oral presentation at Pairing2010.

3. The copyright form can be downloaded from <http://www.springer.com/computer/lncs?SGWID=0-164-7-72376-0>.

Please sign the form, scan it and send it to us as a PDF file. If you are not able to scan the printed form, please contact to pairing2010-paper@m.aist.go.jp for further instruction (please contact us in advance).

4. We go into your source files to add headers and footers and make modifications for formatting if necessary. The PDF file of your manuscript is only used as reference. Normally, we do not contact you for proofreading. However, in some cases, we may contact the contact author for approval. Therefore, please care for the incoming email from us after the submission and respond to it as soon as possible.

5. Your manuscript should be at most 20 pages long in total, including bibliography and well-marked appendices.

6. All figures will be printed in black and white. Make sure that any color figures are legible in black and white.

7. For any question regarding the preparation and submission of your camera-ready manuscript, please contact pairing2010-paper@m.aist.go.jp.
